

Call for Nominations for C&EN

The ACS Dayton and Columbus Sections are seeking nominations for the 2020 Austin M. Patterson-E. J. Crane Award for outstanding contributions to the field of chemical information, broadly defined. The award will be presented at the 51st Central Regional Meeting of the American Chemical Society, to be held in Columbus, Ohio, May 27-29, 2020. The award consists of a \$3,000 honorarium and travel expenses.

Nominations must include a one- to three-page nomination letter highlighting contributions by the nominee to the field of chemical information, biographical information about the nominee, a bibliography of publications and presentations relevant to the award, and one seconding letter (although this may have more than one signatory). The nominee does not need to be an ACS member.

Nominations must be received by March 31, 2020 and should be sent via e-mail to Dr. Christopher Hadad, Chair, Columbus Section of the American Chemical Society, at hadad.1@osu.edu and to Dr. Steve Trohalaki, Chair, Dayton Section PCA Committee, at strohalaki@gmail.com. Additional information about the award can be found at DaytonACS.org.
