## Directions to Cedarville

Take US 42 from Xenia to Cedarville. Turn left (north) on State Route 72. Go left on College Street. Turn right after parking lot. Engineering, Science & Nursing Center will be on the left (Bldg 8 on the map). Use the entrance nearest the lake. All parking lots are open lots in the evening. When coming from the north: Take SR 72 south to College Street and turn right.

## ACS Student Affiliate Chapters Call for Proposals

The Dayton Section encourages ACS Student Affiliate Chapters in the area to submit proposals for funding Chapter activities. Anyone submitting a proposal must attend the Section's poster session in March (see details in this issue of the bulletin). For further information, please contact Dr. Daniel Bombick, Department of Chemistry, Wright State University, (937)775-2340, [dbombick@discover.wright.edu](mailto:dbombick@discover.wright.edu)

## Career Exploration Weekend

Many thanks to Paul Fleitz, Jim Gord, and Ken Turnbull for representing the American Chemical Society at the Career Exploration Weekend at the Dayton Museum of Discovery on February 7 and 8. Their displays and hands-on activities covered organic synthesis and purification, spectroscopy, and lasers for remote testing. The organic synthesis display became a little too authentic when an inquiring youngster accidentally turned on the hot plate melting some of the display and producing a smelly, tar-like organic compound.

## Industrial Members

If you recently received a survey in the mail, please take a few moments to complete and return the questionnaire in the enclosed return envelope. Thank you in advance for your cooperation. -*Industrial Relations Committee*

## Patterson Chemistry Competition

On Saturday, January 3, 116 students from 22 different high schools participated in the Patterson High School Chemistry Competition at Sinclair Community College. This part of the competition consisted of a multiple choice examination. The top 11 scorers are listed below and will receive a plaque from the Dayton Section, as will the top scorer from each school represented. In addition, the top 11 scorers will be asked to submit an essay on "Chemistry and Its Relevance to Me" for a scholarship award. These winners will be announced at the June Dayton Section meeting. The Dayton Section would like to thank Berch Carpenter, and all those who helped him, to again organize this successful event.

*From Beavercreek:* Abdulla Farah & Andrew Schepler

*From Centerville:* Nicholas Guise, Kevin Killer & Jonathon Spaulding

*From Fairborn:* Brad Baugh & Brian Skinn

*From Miami Valley School:* Alexander Brown, Kavitha Reddy & Nathaniel Young

*From Tipppecanoe:* Scott McCrillis

*Congratulations!*
